Shooter

The kitchen offers a wide range of creative beefburger. They just use fresh produce. French fries, potato wedges, baked potatoes and the house specialty "potato skins for dipping" are produced in the restaurant.

Of course, all dips are manufactured to our own recipes. The menu is supplemented by daily changing specials. All burgers, whether vegetarian, are made from fish or a juicy grilled beef fat free on a lava stone grill.

**Schönhauser Allee 50
10437 Berlin**
